Serving all Bishop Carroll students since 1994

What We Do:

The BCHS Athletic Society, an organization run by parent volunteers, exists to enhance the athletic environment at BCHS for the benefit of all students.

To achieve this purpose, the Society annually provides over \$35,000 in support of athletic equipment and facilities at the school. Past purchases include:

- Exercise room equipment and sound system
- Nets and standards for volleyball
- Rugby scrum machine
- Field hockey nets and sticks
- Uniforms for the various school teams
- Upgrades to the floor in the dance studio
- LCD TV's throughout the school

The Society also provides funding to subsidize coaches' expenses for out of town tournaments; reduce student athletic fees; and support achievement awards, bursaries, honorariums and grants.

With your assistance, we will be able to continue to help provide superior facilities and resources for all students at Bishop Carroll.
